

Thank God for his letter he wrote some weeks ago. Keep him  
 on with his studies, don't let him enter. I am rather  
 sorry in a way that he has entered, he is so old for  
 his country, I don't think he is able to still live,  
 but of course, by the time he comes out, if he does come  
 out, he will be better, tell Bethel if he comes  
 out he'll have rather a pleasant time, he may remain  
 living for in case of the live. Will you please send  
 Mr. & Mrs. Brown & a box of Gavis's Tooth Powder & a  
 few Books. I am on with the last list of the friends of our  
 by look to Dover. Thank you all so much for the money for  
 they were lovely, also special the one & half. Will you also  
 send some more gifts please I've had to see why I am  
 a lot better, I've got a few more, still etc. Good bye, keep  
 hoping all of you.

Love from Benjamin
