Dear Bert.

Florence tells me you are going over sea's I can quite understand how you feel about going away from her, but try to look on the bright side if you can, it may not be for long. You know Bert you are a lucky man to have such a good girl for your wife, you should never stop thanking God for so great a blessing this is not just talk she is one of the few good people I've ever met. I will pray each day for you both that God will look after you and keep you always in that love that is now yours. Keep to your prayers even if a times things do not go well or you feel down, sometime prayer is hard and God seems a long way off but that is to misapprehend God's ways if we love Him, He is always with us, and as He has told us with Him we can do nothing Well I must close now but will write to you were ever you are, when ever I can

God bless and protect you always.
Brother Martin L.
